The first edition will be held Sunday, October 31<sup>st</sup>, 2021 in Cividale del Friuli: an event dedicated to running and passion for running. Cividale del Friuli, a town with a site recognized by UNESCO as a World Heritage Site, will be the stage for Friuli Venezia Giulia's only 42.195 km race. Registrations to take part to this epic challenge are now open at [www.mythomarathon.it](http://www.mythomarathon.it). The website was realized by partner Neferstudio Design Agency. Here are available rules and all the info to subscribe and enter the MYTHO Family!

### **HOW TO BE PART OF THE MYTH**

The format for taking part in the first edition of the MYTHO Marathon includes a division in the timing for registration. From the opening date (Thursday, 15<sup>th</sup> April) until the end of April, race-bibs can be purchased for 35.00 Euro. From the 1<sup>st</sup> of May to the end of June the entry fee is 45.00 Euros and from 1<sup>st</sup> July to August the price is 55.00 Euros. From September, the entry fee will rise to 60.00 Euro with the complete race package. From the 1<sup>st</sup> October to 20<sup>th</sup> of October 2021, the entry fee will stay at 60.00 Euro, but it will include only with bib, bracelet, mask and bag.

### **A MEDAL TO BE BUILT IN THREE EDITIONS**

All those who cross the finish line of the marathon in Cividale del Friuli will wear the first of three MYTHO medals. After completing the Palmanova race in 2022 and the one in Aquileia in 2023, they will compose a unique trophy, never seen before. To boast the title of MYTHO will therefore need to participate in the three traveling editions of the 42.195 kilometers of Friuli Venezia Giulia.

### **THE RACE PACK**

MYTHO Marathon also means a race pack from MYTHO! By registering for the scheduled races, runners will get a personalized bag with bib, official jersey and many technical gadgets. They will also receive traditional products of the Friuli Venezia Giulia territory. The race pack will be available for registrations made by 30<sup>th</sup> September 2021. After this date, the registration will include bracelet, face mask and MYTHO Marathon bag.

### **THREE CHALLENGES IN ONE EVENT**

For all running enthusiasts who do not want to face an Olympic challenge, there is a chance to take part in MYTHO Half Marathon. The half marathon of 21.097 kilometers is ideal for measuring oneself on a fast loop to make the personal best.

Friends and colleagues can compete together, after months of running on their own, in MYTHO Team Marathon, the relay race for four runners who will face about ten kilometers each.

Registration costs vary depending on the event and they are available on the website.
