One marathon but endless emotions: the MYTHO Marathon, which takes place on October 2nd next in Sacile in the province of Pordenone, Northern Italy, is officially opening its doors to anyone that wants to become part of the myth!

After the success of the debut edition in Cividale del Friuli, the MYTHO Marathon is now relishing the opportunity to do it all over again by enthusiastically replicating the only 42.195-kilometre race in Friuli Venezia Giulia, approved by FIDAL and on the national calendar.

A distillation of passion for running and a fantastic showcase for the local area, the event takes place on Sunday, October 2nd. This time out its GHQ is at Sacile in the province of Pordenone which will be home to the logistical side of the event.

Carlo Spagnol, mayor of Sacile, which last year also played host to the Giro d'Italia, expressed his pleasure at the news: «*This is another great event coming to our town which is busy preparing to host the MYTHO Marathon 2022. Expectations are high: it looks set to be an unmissable day for sports lovers as well as a fantastic showcase for our local area. The organisational machine is in full swing and there is a lot to do to ensure we are ready to welcome this special sports event. I would like to thank all the organisers who are working so hard to ensure it is a success. It will be a unique opportunity for Sacile and the whole area*».

The MYTHOes, as the competitors are dubbed, will start from Sacile and then follow a circular route along the river Livenza as far as the Palù di Livenza Prehistoric Pile Dwelling site, which was declared a UNESCO World Heritage Site in 2011. The marathon runners will then traverse the municipalities of Caneva, Polcenigo (which is on the exclusive list of Italy's Most Beautiful Villages) and Fontanafredda, before making their way back to Sacile again.

HOW TO TAKE PART IN THE RACE AND BECOME ONE OF THE MYTHOes

Finishers from the 2021 MYTHO Marathon edition will enjoy a discounted entry price of just 25 euro until the end of April to give them the chance to add to the first piece of the stylised Y on the medals handed out Cividale del Friuli, and to test their mettle once again on the classic distance in this second edition.

Entries are open to all others runners at a discounted price of just 35 euro until the end of June. From July to the end of August, entries will be 40 euros and then from the 1st of September to the day of the event, they will rise to 50 euro. There is also a promotion for groups of 10 that enter together for the Friuli Venezia Giulia marathon.

The chance to get the second of the three pieces needed to complete the unique MYTHO medal is just around the corner: but only athletes that finish all three MYTHO Marathons will be awarded the MYTHO title.

Runners competing for the first time this year will be able to complete their medal by racing in 2023 at Aquileia and in 2024 at a still-to-be-decided location.

ONE EVENT, THREE CHOICES

The event is not just for marathon enthusiasts, however. Entries are also now open for the MYTHO 10K Run at a discounted price of just 15 euro until the end of June, and also the MYTHO Team Marathon relay race for teams of four with each member running for 10 kilometres – entry remains at just 15 euro for it also until the end of June.
